Let's not forget that our students also enjoy Bagless Days once a month! On these special days, heavy school bags are left at home, making room for hands-on, practical learning activities where in students dive into vocational crafts, workshops and sessions, and field trips, proving that some of the best learning happens outside the textbook.

A New Beginning.

Welcome to another fantastic year! Our school corridors are buzzing with energy once again! The school year kicked off with the summer heat in April accompanied with the New Education Policy (NEP). Our focus this year is Healthy body, Controlled mind.

WITH GREAT BADGE, COMES GREAT RESPONSIBILITY!

Our student leaders officially stepped into their roles during our solemn Annual Investiture Ceremony. The auditorium was filled with pride as the newly elected Student Council, House Captains, and Prefects marched to the stage to receive their badges and sashes, taking an oath to lead our school with integrity, empathy, and responsibility.
